

EXHIBITIONS AND INSTALLATIONS

PHOTOSYNTHESIS

3 – 10pm | 22 Vogel Street

PHOTOSYNTHESIS is an architectural atmosphere with light, sound and sculptures. This will be an experimental experience, one that will grow in symbiosis over time with rhythms and patterns reminiscent of weather systems, mimicking nature. Drawing with light and graphic textures you will experience projected patterns that will caress and interact with each architectural sculpture - a literal fragment of a mega-structure. **PHOTOSYNTHESIS** is a collaboration between Architecture Van Brandenburg and Otago Polytechnic School of Design

THE DREAMBOX COLLECTOR BY GLORYBOX

Vogel Street

The artists' collective that is Glorybox will be hosting a truly interactive and immersive experience at the VSP called the Dream Collector. This performance will draw spectators in to participate and interact with a range of different performers, drawing on their dreams and blurring the lines between reality and their subconscious.
